

Farmer Government Returned By Sweeping Majority---W. H. Shield Wins in Macleod Riding

KING GOVERNMENT
RESIGNED

Ottawa, June 28.—Refused a dissolution of parliament by His Excellency of Governor-General Premier Mackenzie King this afternoon tendered his resignation to Baron Byng and it was accepted.

The house adjourned very soon after the prime minister made this announcement, and efforts by Mr. Meighen to secure a conference with Mr. King were rejected on the ground that he is only a private member and that there is no longer a prime minister. After a very brief parley the house adjourned amid a wave of Conservative cheering.

It was a very animated scene that characterized the opening this afternoon. Every member was in his seat, while the galleries were packed and hundreds were turned away.

Ottawa, June 28.—Right Hon. Arthur Meighen, Conservative leader, returned to the Parliament buildings from Government House this afternoon, where he had been summoned by the governor-general.

The conference with His Excellency extended over one hour and it is understood that Lord Byng asked Mr. Meighen to form a government.

Mr. Meighen after the interview declined to make any statement. He intimated that no statement would be made by him today. It is understood that a statement will be made in the house at the opening tomorrow.

Following the return of Rt. Hon. Arthur Meighen, from his interview with the governor-general, the Conservative leader entered into conference with cabinet members of his party.

It is stated, although there is no official announcement, that Mr. Meighen has not yet been sworn in as prime minister.

It is probable that the suggestion will be made in the house tomorrow that three or more members of the Conservative party be appointed for the purpose of putting through re-

AUCTIONEERING

Joseph Hicks announces that he has taken out an auctioneer's license, and is open for engagements in Auctioneering. Right Prices and Efficient Service. Patronage solicited.

Project 3, Sec. B, Calgary—Glacier Park Main Highway. Reference—From Sta. 02x00 (N. Bdy. Macleod) to Sta. 02x74 (Rosedale). Distance 4.25 miles. Gravel Surfacing 1st and 2nd courses. Approximately 6000 cubic yards gravel excavation with 19000 cubic yd. mile haul and other work.

Copies of specifications, plans and profiles may be seen at the office of the following:—The Highway Commissioner, Parliament Bldgs. Edmonton, N. H. Bradley, District Engineer, Lethbridge, Alta. F. J. Graham, District Engineer, Old Court House, Calgary. Jas. McQueen, District Engineer, Hanna, Alta.

The cover of each tender will be marked by the project number and each bid must be accompanied by an accepted cheque or bid bond for the sum of Five Hundred (\$500.00) Dollars. The successful tenderer will be required to execute a contract bond in the amount of twenty (20%) per cent of the accepted bid.

Tenders will be opened in the presence of bidders at the time above mentioned. The lowest, or any tender, not necessarily accepted.

Deputy Minister of Public Works Edmonton, June 10, 1926. 16-21

KING GOVERNMENT
RESIGNED

Ottawa, June 28.—After a battle lasting till dawn after being on three successive occasions on the losing side of the house divisions, the government at 5:20 this morning managed to get through a motion to adjourn. It was proposed by C. G. Power, Liberal, Quebec South, and carried by 115 to 114, and the house went over till Monday afternoon.

The end of the day came in wild excitement with both sides cheering and throwing papers in the air. Such scenes, such dramatic episodes have not been witnessed probably in half a century. They closed with a sharp encounter between the two leaders.

Will King Ask Dissolution? As the motion to adjourn was put, Rt. Hon. Arthur Meighen asked if it was correct that the government had passed an order appointing certain civil service commissioners and a senator. Also if the prime minister desired to make any statement following three defeats.

"If my right honorable friend will retract his last statement I will answer his request," sharply retorted Premier King.

Adjournment has brought a temporary relief to weary members but the situation remains. As the matter now stands the house has still to decide the government's fate on the customs report. And there are rumors that the premier instead of waiting for the vote, may decide to ask the governor-general to grant a dissolution of parliament after the remaining supply has been voted.

Meighen Sworn in as New Premier Ottawa, June 29.—Rt. Hon. Arthur Meighen was sworn in at Government House today as prime minister of Canada. As Mr. Meighen thereby vacates his seat in the house until re-election, it is understood that Sir Henry Drayton will be acting government leader in the commons and when the house meets again at 2:00 o'clock will make a statement. Several acting ministers are to be appointed to put business through the house. Report has it that both Sir George Perley and R. S. White will likely resign their seats in Quebec province to make way for the appointment of French-speaking ministers.

Hon. E. L. Patenaude is mentioned for Mount Royal, Montreal, now represented by Mr. White, with a ministerial appointment in view. Six ministers without portfolio in the new Conservative administration are understood to have been sworn this morning. Their names, it is understood, are Sir Henry Drayton, Hon. H. H. Stevens, Sir George Perley, Hon. R. J. Manion, Hon. Hugh Guthrie and W. A. Black of Halifax.

Official announcement is not likely to be made before the house meets at 2:00 o'clock.

Extraordinary Situation Ottawa, June 28.—The resignation of Premier King has resulted in an extraordinary situation. For the time being there is no government and the moment Mr. Meighen accepts the paid office of premier he loses his seat in the house. Any ministers he appoints with portfolios will likewise lose their seats.

The creation of a government would therefore leave Mr. Meighen without a majority in the house unless he got either Liberal or Progressive support to wind up the business session.

A suggestion to meet the difficulty is that Mr. Meighen might appoint acting ministers without salary and appoint one of his colleagues to represent him in the house temporarily.

MEIGHEN SWORN IN BY BARON BYNG AS PREMIER OF CANADA

Ottawa, June 29.—Right Hon. Arthur Meighen was sworn in at 11 o'clock this morning at Rideau Hall as prime minister of Canada. The oath was administered by E. J. Lemaire, clerk of the privy council, in the presence of Lord Byng and two of his staff, Arthur Sladen and Major Willis O'Connor.

Sworn in simultaneously as ministers without portfolio and to carry on until a regular cabinet is formed, were Sir Henry Drayton, Hon. H. H. Stevens, Sir George Perley, Hon. Hugh Guthrie, W. A. Black, M.P. of Halifax, and Senator W. D. Ross, Conservative leader in the senate.

Ottawa, June 29.—Parties in the house have already changed sides. When proceedings opened today Liberals were to the left of the speaker. Mr. Mackenzie King had the desk occupied yesterday by Mr. Meighen, Sir Henry Drayton immediately announced:

"Immediately following the resignation of the late government and the adjournment of the house yesterday, His Excellency the Governor-General, sent for Rt. Hon. Arthur Meighen, leader of the Conservative party, and requested him to form a new administration. Mr. Meighen advised His Excellency last evening that he would undertake this task and was sworn in this morning as prime minister, secretary of state for external affairs and president of the privy council."

Would Wind Up Session "Having in mind the fact that the present session has now continued almost six months and is very near its close, Mr. Meighen believed it to be the first duty of any government he might form to conclude with all dispatch the work of the present session. Such a course in preference to a somewhat prolonged adjourn-

ment was demanded also by a just regard for the convenience of the honorable members, especially those who come from a great distance.

It was manifestly impossible to effect this result if a government was to be formed in the usual way and if ministers were to be assigned portfolios necessitating the vacating of their seats and consequent by-elections. The delay thus involved, especially at this period of the year would have entailed unnecessary hardship.

"The prime minister, accordingly decided to constitute and submit to His Excellency a temporary ministry composed of seven members, who would be sworn in without portfolio and who would assume responsibility as acting ministers of the several departments. This step has been taken. The following have accepted office as ministers without portfolio:

"Sir Henry Drayton, Hon. R. J. Manion, Sir George Perley, Hon. H. H. Stevens, Hon. Hugh Guthrie, Hon. W. A. Black, Hon. R. B. Bennett is on his way to Ottawa from Calgary and will be asked to accept similar duties upon arrival. Sir George Perley will, during Mr. Meighen's absence, have charge of matters affecting the department of external affairs and of the privy council."

As the men have been assured responsibility as acting minister as follows:

"Sir Henry Drayton, finance department and railways; Hon. R. J. Manion, health and soldiers' re-establishment, post office, immigration and labor departments; Sir George Perley, department of secretary of state and department of public works; Hon. H. H. Stevens, customs, Indian affairs, mines, interior, agriculture and trade and commerce departments; Hon. Hugh Guthrie, justice and national defense; Hon. W. A. Black, marine and fisheries."

"Mr. Meighen having accepted an office of ennoblement under the crown namely that of prime minister, has thereby vacated his seat and has asked me to assume temporarily the duty of leading the government in the house. As already stated, the government deems it its first duty to give parliament an opportunity of dealing with all such matters as should be disposed of prior to the close of the session."

It is said that Sidney Chaplin reaches the high point in his career in the great screen version of the celebrated farce, "Charley's Aunt," which the Empress Theatre will be shown for 3 days.

Like his famous brother Charles, Sydney is a born actor. His father was the leading comedian and his mother the prima donna of a British theatrical troupe. He was born in Johannesburg, South Africa, where his parents were on tour. Thus by heritage as well as environment, Syd Chaplin came rightly to the theatre.

As children, he and his brother Charles were both trained in mimicry and pantomime, and they played various roles in different London productions. A short, adventurous career at sea while still in his early teens gave Syd a good chance to study the world and various national types all over the globe. Returned home, he decided to become an actor and soon made his way to a stellar position with the Fred Karno pantomime organization being featured in all the music halls throughout the British Isles.

After his brother, Charlie, had come to the United States with another Karno Company and had entered the film field, Sydney came over to join him, and for some time was a successful member of the Keystone corps, and later a director. This first stage of Sydney's career culminated in his starring in "The Submarine Pirate," one of the first multi-reel comedies, which was a tremendous success.

The growth of his brother's popularity soon forced Sydney to devote himself exclusively to the business management of Charlie's affairs, a post which he accepted for several years, although he always played a bit in his brother's pictures, such as the Kaiser in "Shoulder Arms," the delicatessen dealer in "A Dog's Life," the leader of the sidewalk quartette in "Pay Day" and the bashful husband in "The Pilgrim."

Recently Syd decided to give up his various business activities and to return to the screen as an actor. His first appearance was as the British sergeant in "The Rendezvous." Then came "Her Temporary Husband," a comedy, followed by "The Galloping Fish," produced by Thos. H. Ince, and "The Perfect Flusher" with Colleen Moore.

As "Charley's Aunt from Brazil" where the nuts come from," Sydney Chaplin has an opportunity to display his great talent for the skillful pantomime for which he is so justly famous here and abroad.

"CHARLEY'S AUNT" UNIVERSAL FARCE—SCREEN VERSION OF RIOTOUS HIT HAS SYD CHAPLIN IN TITLE ROLE

The screen version of the internationally famous farce "Charley's Aunt" by Brandon Thomas will be the feature attraction at the Empress Theatre for 3 days beginning Monday. Syd Chaplin has the title role and the supporting cast is composed of players of wide repute.

As a stage play "Charley's Aunt" has already grossed over three million dollars and holds the money-making record for the stage. It has been produced in every civilized country in the world which, in addition to giving it an international reputation, has established it as a

Standing In Old House

March 2, 1925:

Farmer 40
Liberals 12
Independent 4
Conservative 2
Indep.-Farmer 1
Total seats 60

Premier J. E. Brownlee in Ponoka riding had a majority over all on the first count. It appeared as if only one Farmer cabinet minister has gone down to defeat, and that is Hon. Alex. Ross in Calgary. The most surprising win of the election was in Edmonton where Hon. J. F. Lymburn, the new attorney general, led the field by a big margin. Premier Brownlee was returned in Ponoka, Hon. R. G. Reid, provincial treasurer, in Vermilion; Hon. V. W. Smith, minister of railways and telephones, in Camrose; Hon. George Headley, by a very narrow majority in Okotoks; Hon. Mrs. Parly in Lacomb; Hon. Perren Baker in the new riding of Cypress.

Calgary, June 30.—J. T. Shaw, Liberal leader, is in a precarious position in Bow Valley. With three polls to be heard from Plummer, U.F.A., has 808 votes and Shaw has 822. It is quite possible that Plummer may yet lead the Liberal chieftain on the first count.

Mr. McGillivray, the Conservative leader, far outstripped his field in Calgary.

W. H. Shield Wins in Macleod Riding

The following are results by polls in Macleod constituency—first col-

um McDonald, second Patterson, third Shield:

Macleod 1A 49 6 22
Macleod 1B 38 7 15
Macleod 2A 79 19 25
Macleod 2B 75 15 24
Macleod 3 112 29 47
Macleod 4 47 5 42
Mud Lake 25 9 21
Glenwillow 5 3 15
Howe 13 0 18
Parkerville 3 2 18
Perce 13 1 20
Finlay 15 0 27
Rose Butte 3 1 33
Monarch 17 6 26
Kipp 1 4 11
Longbottom 1 0 8
Orton 8 0 44
Rathwell 7 0 45
Allenfield 10 9 42
Hazelmead 11 1 34
Warderton 1 3 48
Ardenville 10 5 34
Stand Off 13 5 2
Advance Poll 7 4 2

Seconds 567 125 656
Thirds 605 709

Shield Majority 104

The disparity as between 91 seconds (38 McDonald and 53 Shield) and Patterson's 125 is accounted for by 34 plumpers for Patterson—no second choice marked.

In the 1921 election the count in Macleod riding was as follows:

W. H. Shield, U.F.A. 727
Geo. Skelding, Liberal 620

Shield Majority 107

MANY MACLEOD PEOPLE VISIT LETHBRIDGE FAIR

Macleod fully paid her debt of reciprocal visiting to Lethbridge on Dominion Day, for the showing that the eastern city made in Macleod during the Jubilee of '24. Macleod's populace turned out in full force on Thursday, and accompanied by the float, which necessitated the journey of five of the local Elks to Lethbridge by storm. The local Elks made a great hit with their Lethbridge march and their splendid turnout and the adding of a big Elk float to the procession. In fact the Lethbridge Elks hark their heads somewhat in shame to think a visiting force would park their autos and form up in the parade in full regalia and walk the four miles of the procession, while they took the journey easy on the cushions. The float, which necessitated the journey of five of the local Elks to Lethbridge by storm. The local Elks made a great hit with their Lethbridge march and their splendid turnout and the adding of a big Elk float to the procession. "THE WAY OUT"

In a speech on the industrial situation in Great Britain, Lord Grey of Fallodon unequivocally expressed the conviction that the hope of industrial peace lies in a complete form of working partnership between labor and capital, and that palliative measures which seek for the perpetuation of the existing system can only serve to prolong a conflict that is sterilizing the productive energies of the nation, and is, moreover, full of disastrous possibilities.

The general strike led Britain to the verge of a precipice over which labor and capital might have tumbled together. To have reached the edge of such a precipice is, in Lord Grey's opinion, conclusive evidence that the road we have been traveling is the wrong way, and the way out to safety and prosperity is to be found in industrial democracy.

All industrial disputes are due to the total absence of the spirit of mutual interest which would inevitably result from genuine co-partnership. No permanent peace can be assured except by reorganization of the basis of industrial effort whereby the welfare of both parties concerned is inseparably identified; it is on community of interests that harmony depends, and it is by community of interest alone that the highest efficiency and general prosperity can be secured. Economic stability is the very foundation of our social and political structure.

There are a few gifted men in the world whose powers of observation and analysis have forced on them the conviction that within ten years, or twenty years at the most, momentous changes will overtake the industrial system, and that to drift along in an atmosphere of false security is to invite disaster. Among the men of big vision who are striving to awaken public interest, there is no more earnest advocate of reorganization than Mr. Filene, the "shop keeper," as he calls himself, of Boston. His articles now appearing in this paper present the opinions of a successful man who has gone through the mill of experience, and is eminently fitted to point "The Way Out."

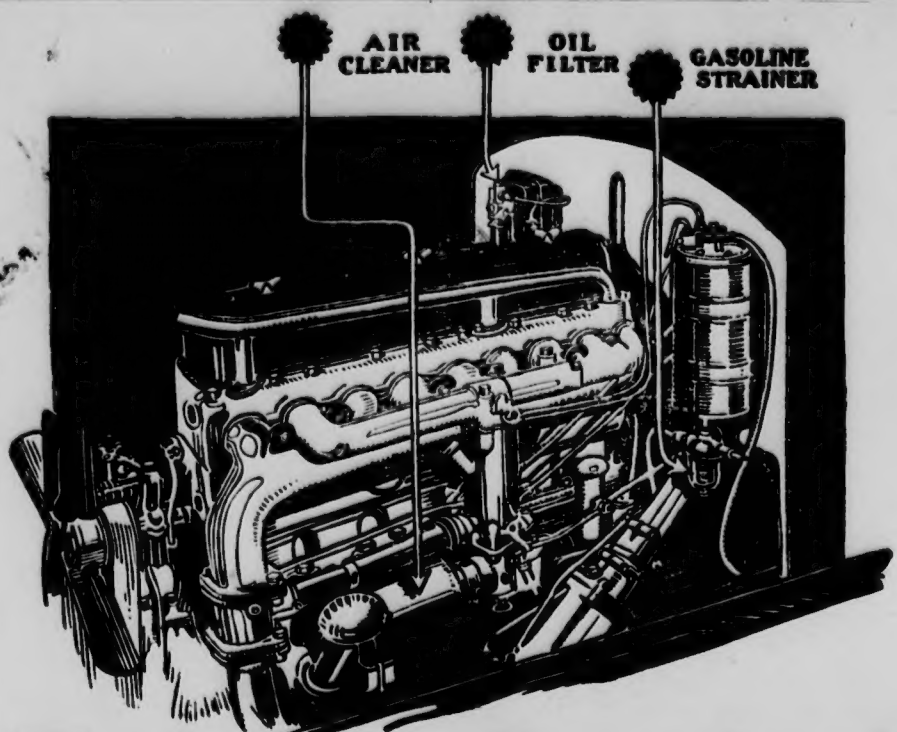

FIFTH FORTNIGHTLY CROP REPORT

Issued by Department of Agriculture, Government of Alberta, Edmonton, June 26, 1926.

Since last report, great improvement has been brought about in the crop conditions in the southern districts by rains which in most of these districts were quite heavy, and were general over the entire south in varying degree. Though these rains came somewhat too late to bring about a complete recovery of the crop which had already suffered from high winds and lack of moisture, the large percentage of grain acreage in the south now gives promise of a good average crop.

WHEN USING WILSON'S FLY PADS

Triple-Sealed

to Protect the Performance of
McLaughlin-Buick's Famous Engine

IN the Better McLaughlin-Buick you will find the most important motor car improvement in recent years—the "Triple-Sealed" Valve-in-Head engine.

Dirt inside an engine destroys efficiency. It grinds away at cylinder walls and bearings, causing looseness and vibration. McLaughlin-Buick's "Triple Seal" (air cleaner, oil filter and gasoline strainer) prevents this—halts dirt and grit at every possible point of entry.

McLaughlin-Buick leads in motor car advancement. Wherever there are motor cars, the McLaughlin-Buick Valve-in-Head engine is known and highly regarded for its

smoothness, its extra power, its economy and its stamina. The McLaughlin-Buick "Sealed Chassis" places every operating part inside an iron or steel housing to keep dirt out and lubrication in. And now the "Triple Seal" engine further protects McLaughlin-Buick performance from the destructive grit of the road.

No other car, regardless of price, so completely safeguards its performance. For more efficient service, for finer transportation at lower cost, buy a McLaughlin-Buick.

The new low GMAC financing rates are available to purchasers of McLaughlin-Buick on time.

E-2450

H. H. YOUNG, AGENT,
MACLEOD, ALBERTA.

McLAUGHLIN-BUICK

There is uneven germination over a considerable area due to the activities of the cutworms, and to dry conditions, but the situation on the whole, in the southern districts, is much more promising than a fortnight ago, with the summer-fallow crops and late sown grain looking very well.

Throughout Central and Northern parts the crop outlook is very satisfactory. There has been sufficient moisture at all times and although the weather has been somewhat cool the crop is a splendid color and well advanced for this time of the year.

Speaking generally, the wheat crop is coming into the shot blade, with the early rain in southern districts heading out. The prospects are for an early harvest.

Prospects in the dairying industry are reported to be brighter than last year, with promise of increased production.

Alfalfa cutting is in progress in the south, with a good crop being taken off.

Many Coming to Camrose
More than 10,000 visitors are expected to be in Camrose from July 3 to 6 for the big Norse celebration to be held there. It is stated that 5,000 reservations have been made from the state of Minnesota alone. The visitors are coming both by auto and by special train. The Alberta government publicity bureau is erecting an exhibit of agricultural and mineral products for the four days of the celebration in order that the visitors may be shown something of the province's resources.

Dates for Corn Show
The Directors of the Alberta Corn Growers' Association at a meeting held in Lethbridge last week decided on November 11th and 12th as the dates for the Provincial Corn Show which is to be held in Medicine Hat. An attractive prize list has been prepared with classes for boys and girls as well as for adults. There has been a larger acreage planted to corn than in previous years and if the season is reasonably favorable strong competition is anticipated.

Lethbridge Celebrates
Lethbridge city is staging a historical pageant on July 1, in connection with its fair, to celebrate the 20th anniversary of the city and the 21st anniversary of the province.

Thousands Coming
Thousands of tourists are expected to visit the province next month, and to attend the Calgary Stampede from July 5 to 10, and the Edmonton Exhibition, July 12 to 17. In Calgary the annual stampede and exhibition will be staged, while at Edmonton a large historical pageant, celebrating the 21st anniversary of the province, will be produced under expert direction. At both places, the Coldstream Guards Band, a famous British organization will be an attraction.

Provincial Exhibits

Something unique in the way of educational work is being undertaken this year at the Calgary Exhibition and Stampede, and the Edmonton Exhibition by the Provincial Department of Agriculture.

This is a special automatic exhibit depicting losses on livestock due to bruising incidental to loading and shipping, and the provincial department is putting on the exhibit, in co-operation with the university, with packers, producers and others interested, in an effort to minimize the losses thus created, the extent of which is probably not realized by a large proportion of those handling livestock.

The exhibit consists of an automatic motion picture and slide machine. The motion pictures show the proper method of loading and shipping livestock, with emphasis on swine. These motion pictures have been specially made right in Alberta, and will be an attraction in themselves. The slides, on another part of the machine, show figures, compiled by one of the packing houses in Alberta, depicting the loss on livestock due to bruising. These figures will be a startling revelation to those who see them.

It will be well worth the while of every farmer and livestock man to visit the exhibit and study it. In co-operation with other provincial departments of agriculture the exhibit is also being shown at other Class "A" fairs in the West.

Publicity Exhibit
The Publicity Branch of the Department of Agriculture will also have an exhibit at the Calgary and

Edmonton Exhibitions this year, located adjacent to the other exhibit. The Publicity display will include grains and grasses collected from all parts of the province, attractively arranged, and a display also of tar sands, coal and oil.

You may get a vocabulary without thinking, but you can't think beyond your vocabulary.

Alas! It wasn't mother's cooking that was so wonderful. It was a young appetite.

Thirsty?
Here's the Answer

First, sparkling, carbonated water—next, the juice of luscious oranges—next, the delightful flavor of their peel. Added to this, zestful tang of the fruit acids from oranges, lemons and limes—a pure food color, such as you use in your cakes and candies—pure cane sugar.

Indoors or outdoors, Orange-CRUSH is always refreshing, always healthful. If you like oranges you will like sparkling Orange-CRUSH. Have it on ice. Give your guests a treat when they drop in for a visit. Telephone your dealer today to send you a case. And remember—you can only be sure of the genuine when you see the name Orange-CRUSH blown right into the Krinkly Bottle.

Don't Let Them Gyp Our Boys and Girls

CHILDREN love Orange-CRUSH. Why should your youngsters be deceived into accepting an imitation possibly harmful—certainly inferior? Yet every day an unscrupulous dealer may cajole little Mary or Jack into accepting a substitute because of an extra profit of a fraction of a cent a bottle.

The kiddies need not be disappointed. Tell them that Orange-CRUSH is found only in the Krinkly Bottle with the name Orange-CRUSH blown into the glass. Tell them to spend their nickels with the honest dealer—perhaps a few steps further up the street.

As a rule, dealers are honest. Only a few dealers here and there will substitute. The Orange-CRUSH signs identify the man who deserves your patronage. You see, Orange-CRUSH costs him more than he would have to pay for cheaper imitations, yet he knows that he can make more money with Orange-CRUSH than with any other drink in the world. People don't have to be urged to buy the CRUSHES.

Orange-CRUSH

Lime-CRUSH

THE EMPRESS THEATRE CURRENT ATTRACTIONS

(Continued From Page One.)

thirty-three years and still shows evidence of going strong.

"Charley's Aunt" is also credited with being the funniest play ever written and in making the picture the producers have designed the scenario to keep all of the biggest laughing sequences in the play intact. Syd Chaplin plays the title role of "Charley's Aunt" from Brazil where note come from" and he is said to do the best work of his career.

Chaplin is undeniably developing into one of our stellar comedians. There are critics who maintain that his "Submarine Pirate" film, made when feature movies were still young, still stand as the funniest film ever made. It is only lately

that he has blossomed out as a featured comedian, for during a period of three or four years he was off the screen and acting as his famous brother's manager and engaging in business ventures of his own.

In the "Charley's Aunt" film the character of the eccentric old lady is one which lends itself to Syd Chaplin's special flair for pantomime in which he is a past master. The laughs come thick and fast, and the movie men are safe in promising a show of more than the usual hearty roars of mirth.

CHAMPION SKATERS APPEAR IN "FASCINATING YOUTH"

Norval Baptie, world's champion speed and fancy skater, his partner, Gladys Lamb, known as "Pavlova on Skates," and an ice ballet of 18

skaters are seen in the Paramount Junior Stars' picture, "Fascinating Youth," which comes to the Empress on Thursday, Friday and Saturday next week.

The famous skaters, who performed at the new Madison Square Garden, appear in an ice carnival at Mountain Inn, the Winter resort hotel around which the action of Byron Morgan's story centers.

The skating was done in the studio on a glassy floor, specially prepared from a secret formula. Technical experts were called in for construction. The skaters declared it equal to real ice in smoothness.

Baptie holds world's records in both speed and fancy skating. He retired about five years ago from speed competition, undefeated after more than twenty years. During that time he established speed records at six distances. His feat

of jumping over twelve barrels forward and ten barrels backwards on skates is still unequalled.

Fools rush in where angels wouldn't care to be seen.

Simple Mixture Stops Gas Bloating

Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, often helps stomach trouble in TEN minutes by removing GAS. Brings out a surprising amount of old waste matter you never thought was in your system. Stops that full, bloated feeling and makes you enjoy eating. Excellent for chronic constipation. Adlerika works QUICK and delightfully easy.—The Rexall Drug Store, Macleod.

SWEEPING REDUCTIONS IN FORD PRICES

Coincident with the reduction in price of Ford cars and trucks in the United States, the Ford Motor Company of Canada, Limited announces the following prices, effective June 19.

In addition to these drastic reductions, all models quoted below, except the truck, are now standard equipped with self-starter and balloon tires.

Model	New Price	Savings
Runabout	\$460	\$50
Touring Car	480	50
Sport Roadster	555	40
Coupe	610	50
Tudor	625	60
Fordor	690	55
Chassis	370	40
Light Delivery	470	60
Light Delivery Van	525	50
Truck, non-starter	395	50
Truck, self-starter	460	65

(Above prices at factory. Freight to point of delivery and sales tax extra)

These reductions are made absolutely without sacrifice to the traditional quality and durability of Ford products. They open the way to car ownership to thousands of Canadians who have not previously been afforded the comfort and economy of personal transportation.

See your local authorized Ford dealer today. He will gladly demonstrate the model you are interested in and explain convenient terms of purchase.

POULTRY

Directors in Charge, A. White, R. Hamilton, Dr. Fansett. (Must Be Owned in Alberta)

Rules:

1. Specimens, during time of exhibition, will be under the full control of the committee. The committee will not be responsible for the loss or damage while coming to, going from, or during the exhibition, but will exercise all reasonable vigilance in the care of the specimens.

2. Exhibitors from a distance may send their exhibits to the place of exhibition, where they will be carefully fed and looked after by an experienced man, and returned at the close of the show. All cocks must have the exhibitor's name and address printed thereon. All express charges must be prepaid.

Prizes will be awarded for best: cock (a), hen (b), pen (c) cockerel and 2 pullets, in each section. Standard of Perfection to be guide for Judge.
